SUMMARY

I am passionate about connecting with others to exchange ideas and perspectives. I enjoy solving problems through solutions-oriented thinking. From team-management and leadership with educators in my previous career, to analyzing and writing code as a developer, I value the process of continuous learning. I am seeking a position as a web developer that will allow me to collaborate with others and promotes professional growth.

PROGRAMMING EXPERIENCE

Web Development Immersive

Gainesville Dev Academy | 2018 - Present

- Participated in Immersive Web Development 12-week course covering the core principles of web development utilizing the MERN stack (MongoDB, Express, React, and Node.js).
- Applied front end coding with HTML, CSS and JavaScript to create websites using Git and GitHub.
- Utilized server-side JavaScript and NoSQL database queries.
- Created interactive websites, APIs, and web apps for personal and professional projects.
- Gained proficiency in coding conventions and best practices.

ADDITIONAL EXPERIENCE

Assistant Principal, Education Leadership

Portland, OR | August 2015 - July 2018

- Co-created systems for professional development, multi-tiered systems of support, master schedules, and financial budgets in collaboration with Principal and Leadership Team.
- Supported staff with delivery of instruction, assessment, feedback and evaluation through inquiry-based dialogue. Formalized intervention processes through data-gathering and progress monitoring measures that led to team determinations.
- Acted as the Talented and Gifted Coordinator and State Testing Coordinator including delivering required training.

Elementary Educator

Portland, OR | August 2011 - June 2015

Gainesville, FL | August 2009 - June 2011

- Provided bilingual instruction throughout core subjects in alignment with standards, curriculum, and evidence-based practices.
- Designed year-long instructional maps that were rigorous and culturally relevant which were subsequently presented at the 2014 Oregon AMME conference. Served on Leadership, Positive Behavioral Interventions and Supports (PBIS) Committee, and Racial Equity Committees.
- Served as Site Technology Coordinator (STC) assisting staff and families with technology needs.
