PROGRAMMING EXPERIENCE

Software Engineer
Mindtree, Gainesville, FL | January 2019 – Present
• Experience in web application development utilizing Java, Angular, MySQL, and Spring as a Java Full Stack Engineer.
• Applied end to end coding using Anglar7 with user interface designed through HTML, CSS, and Typescript while implementing database connection.
• Applied business logic to problem statements in order to meet client needs for legacy project, coordinated client meetings, and learned Agile methodologies.
• Joined the Salesforce team, used Trailhead Playground to create custom orgs around business requirements, and shadowed on production teams.

Web Development Immersive

Gainesville Dev Academy, Gainesville, FL | September - December 2018
• Participated in Immersive Web Development 12-week course covering the core principles of web development utilizing the MERN stack (MongoDB, Express, React, and Node.js).
• Applied front end coding with HTML, CSS and JavaScript to create websites using Git and GitHub.
• Utilized server-side JavaScript and NoSQL database queries.
• Created interactive websites, APIs, and web apps for personal and professional projects.
• Gained proficiency in coding conventions and best practices.

ADDITIONAL EXPERIENCE

Assistant Principal, Leadership and Administration
Portland Public Schools, Portland, OR | 2015 - 2018
• Co-created systems for professional development, multi-tiered systems of support, master schedules, and financial budgets in collaboration with Principal and Leadership Team.
• Supported staff with delivery of instruction, assessment, feedback and evaluation through inquiry-based dialogue. Formalized intervention processes through data-gathering and progress monitoring measures that led to team determinations.
• Acted as the Talented and Gifted Coordinator and State Testing Coordinator including delivering required training.

Elementary Educator
Portland Public Schools, Portland, OR | 2015 – 2018
Gainesville, FL | August 2009 – June 2011
• Designed year-long instructional maps that were rigorous and culturally relevant which were subsequently presented at the 2014 Oregon AMME conference. Served on Leadership, Positive Behavioral Interventions and Supports (PBIS) Committee, and Racial Equity Committees.
• Served as Site Technology Coordinator (STC) assisting staff and families with technology needs.
